New Lower Pricing on Fuji FDR ES 17x17

Would you like to offer Fuji image quality and reliability to your Chiropractors and Veterinary customers but are concerned the cost is too high? We can help! White Mountain Imaging is offering incredible new low pricing on the Fuji FDR 17x17 Gadox Tethered Package. Give us a call. We promise it will be worth your time.

Fuji Loyalty Program

Looking for a way to leverage Fuji's well deserved reputation for quality and reliability with your customers who already own Fuji CR? WMI can help your customer move to a new Fuji ES DR with a \$2,000 rebate from Fuji and WMI. Call for details.

Windows 7 & HIPAA Compliance

When Microsoft ceases its support of Windows 7 this coming January, thousands of CR's and DR's will no longer be in HIPAA compliance. WMI has a variety of options and upgrade paths for Fuji CR and DR as well as Carestream Pro DR and Core DR systems. Call us so we can help you determine the best options for your customers specific needs and budget.

eVUE

Does your current PACS have a dealer price tag of under \$1,000? Include built in disaster recovery at no additional charge? Guarantee that your customer can add users and access unlimited image storage for up to 7 years without having to purchase more equipment? If not, give us a call and let us tell you about the eVUE Entry. It is a simple Linux based computer that can be set up in minutes and is compatible with any digital modality.

Our dealers and their customers are continuing to see why eVUE PACS is the best option for image storage and management now and into the future. Whether you start with our Entry or Onsite you'll always have the option of adding cloud storage and web access without having to buy new hardware.

Contact Mark Davis or Scott Wilson for a demonstration of eVUE's features and benefits

Please call Carrie Martin at (603) 648-2124 or your White Mountain Imaging representative for more information.
