For More Information

We are happy to provide more information on any of the products we sell. We can also provide sales brochures for many of the products listed in this Catalogue. Your comments and ideas are important to us. Let us know if there are other products you would like to see us carry. We make every attempt to hold our pricing from one Catalogue to the next. Should adjustments be necessary before the printing of the next Catalogue, we will inform you of any changes when you place your order. Material Safety Data Sheets for all our products can be found on our website.

Return Policy

White Mountain makes every effort to make equitable arrangements with our customers who wish to return goods for credit. While some goods such as special order items, or chemical orders which have been in your warehouse for more than 90 days may not be eligible for return, most items can be returned subject only to a small restocking charge, provided you (our dealer) pay the return freight. In order for a return to be eligible for credit you must call White Mountain and obtain a Return Authorization (RA) number.
